

IMPORTANT NOTICE

Registration AT THE CONSULAR MISSION

Registration of Malagasy Citizens living abroad

Requests for the current renewal of Malagasy national passports allowed us to note that almost Malagasy citizens residing in Hungary and neighboring countries are not registered at the Consulate of Madagascar in Hungary.

That is to say that the Consular Registration - evidenced by the delivery of a Card Consular - allows nationals the right to renew passports nationals.

That is to say, as international law and malagasy law strongly encourage natural persons or legal entities established abroad to register at the consular district in whose district they have established their habitual residence,

Consular Protection.

Consular protection confers responsibility for safeguarding the interests and property of Malagasy nationals living abroad, to assist them when necessary and to assist them in administrative procedures, and others in the course of their activities, provided that the laws and regulations in Hungary and the concerned countries do not preclude it. It goes without saying that the promptness of measures to be taken with regard to these Malagasy nationals by the Malagasy authorities, especially in cases of difficulty, depend on the regularity of their registration.

Other advantages derive from the registration:

- facilitating the counting,
- prevention of double taxation,
- participation in official activities at the Consulate

For each national passport it is noted on the last page of the passport the following important recommendation:

"7 / Tsy maintsy misoratra anarana any amin'ny masoivohon'ny Repoblikan'i Madagasikara eo amin'ny toerana misy azy ao anatin'ny telo volana aorian'ny nahatongavany ny tompon'ny pasipaoro raha te-hiorim-ponenana any amin'ny firenen-kafa. "

"7 / The holder of a passport must, if he settles abroad, be registered with the Consulate of the Republic of Madagascar within three months after his arrival in the consular district ".

"7/ Le titulaire d'un passeport doit, s'il se fixe à l'étranger, se faire immatriculer au Consulat de la République de Madagascar dans un délai de trois mois après son arrivée dans la circonscription consulaire".

All Malagasy nationals in possession of the Malagasy passport are therefore encouraged to register themselves by means of the **enclosed registration form**.

- The registration is free, valid for three years and renewable.
- The period of validity of the "consular card" is 10 years.
- The application for renewal of this card must be made within six months from the date of expiry of its validity.
- Any significant changes in the status of the registered reported to the Consulate.
- Anyone 18 years of age or older must register individually
